20	21	22	23	24	25	26
27	28	29	30			

Testing for RF interference at the proposed Honeysuckle Creek site in October 1964.

At least two other sites near Captains Flat in NSW were also being evaluated but Honeysuckle was the eventual choice. Transparency from the Tidbinbilla archives.

May 2025

SUN	MON	TUE	WED	THU	FRI	SAT
